Confidentiality Statement

Sage Recovery & Wellness Center is required to provide you with confidentiality and consent information and to obtain your signature to acknowledge that you have read and understood this form.

Those laws require us to treat all contact with you as confidential; this includes phone calls, appointments, and written communication.

Treatment at Sage Recovery & Wellness Center is a voluntary and joint effort. Sage Recovery & Wellness Center staff members are employees of Sage Recovery & Wellness Center and are not directly affiliated with your insurance carrier.

Please note as part of the center's way of protecting your privacy we do not return calls from caller ID. If you would like a return call please leave a message on our confidential voicemail. Even if the request is initiated by you, we also cannot accept requests to be "connected" or "friends" with clients on social media sites as it could breach legally-protected confidentiality. If you see a Sage Recovery & Wellness Center staff member outside of the center, acknowledgment will be left to you in order to respect your privacy. Please note that email correspondence is not a secure method for communication and choosing to do so could result in an unintentional breach of confidentiality.

- I authorize Sage Recovery & Wellness Center to call or send text messages to the **phone number** provided on the **registration form** and to leave a message referencing any items that assist the center in carrying out treatment provided, such as **appointment reminders, insurance items and any calls pertaining to my clinical care**. I understand it is my choice which phone number I authorize consent for.
- I authorize Sage Recovery & Wellness Center to mail any items that assist the practice in carrying out treatment, payment, and healthcare operations (TPO), such as discharge follow up letters and patient statements, to the **address** provided on the **registration form**.

Appointments, Payment, and Insurance

Appointments: All office visits are by appointment and may be scheduled through the front desk staff or your therapist. Consistency is an important part of the counseling process; therefore the appointment time you schedule is reserved for you and is not available to anyone else. Please arrive on time, as you use up your session time when you arrive late for an appointment. The usual length of an appointment is 50 minutes. **If you are unable to keep a scheduled appointment, you must notify Sage Recovery & Wellness Center at least 24-hours in advance to avoid having to pay for the canceled or missed appointment. Please leave a message on our confidential voicemail during non-business hours.**

Cancellation Policies: Since scheduling of an appointment involves the reservation of time specifically for you, **a minimum of 24-hours notice is required for rescheduling or canceling an appointment**. Without 24-hours notice, you will be financially responsible for the full amount of the scheduled session. Most insurance companies do not reimburse for missed sessions. Your compliance in keeping appointments and actively participating in treatment is vital.

Payment: Self pay clients, including those not billing any insurance company or third party payer, are expected to pay in full at time of service unless other arrangements have been made. Except in the case of minors or when other arrangements are made, the individual receiving services is financially liable. I understand additional fees are charged for lengthy telephone communications, court attendance and report/letter writing. Insurance does not cover this.

Insurance: I understand I may be responsible for the remaining balance if the insurance or third party does not cover the full allotted amount. Sage Recovery & Wellness Center will send me an invoice with the remaining amount, which I am required to pay in full within 30 days after the rendering of services. I understand co-pays are expected at the time of service and that co-pays are non-negotiable. Failure to pay your part may jeopardize your insurance benefits. I understand should I become ineligible for insurance coverage, I agree to notify the center and I will be responsible for 100% of the remaining balance. I understand that a re-billing fee/financial charge complying with Texas State Law may be applied to any overdue balance. In the event of non-payment, I will bear the cost of collection, court costs, and/or legal fees should this be required. If services are conjoint (couples or family therapy), all clients 18 and older need to sign this contract due to confidentiality and your individual rights, regardless of who is the identified financially responsible client.
